

Framework Forge — Terms & Scope

This service provides personalized reflective writing only.

It is not therapy, counseling, coaching, medical advice, legal advice, or crisis support.

No diagnosis, treatment, or professional-client relationship is created by this service.

By purchasing this service and submitting the intake form, you acknowledge and agree to this scope and accept full responsibility for how you interpret or apply the written reflection provided.

Framework Forge operates as an independent reflective writing service. All content is delivered privately via email.
